

### Who is the Shellfish Advisory Board? A Reminder in Brief

We are not:

Regulatory Board: Responsible for protecting the public, standards of practice, disciplinary issues, quality assurance and maintenance of competency. (The BOS is a Regulatory Board)

We are not:

Disciplinary Committee: A committee charged with examining alleged breaches of discipline within an organization, profession, etc and adjudicating on them. (Town of Wellfleet does not have such a committee but we do have a town administrator and a personnel board.

We are not:

Wellfleet Personnel Board: It shall consult from time to time with the Town Administrator on matters of personnel policy, practices and Bylaws, and make needed changes in the personnel administrative rules and regulations. It shall annually review the existing Personnel Bylaws and recommend to the Town Meeting such changes as it deems advisable in accordance with General Law, this Charter and Bylaw.

We are:

Advisory Group: Regularly gives suggestions and help to people or organizations, especially about a particular subject or area of activity.

**Wellfleet Shellfish Advisory Board: To serve as a Shellfish Advisory Board to the Selectmen and to make a study of existing shellfish conditions and to advise relative to any plan for future improvement and development of the industry.**
